GENERAL GUIDELINES FOR REQUESTING EXEMPTIONS

1. Only the students who have an acceptable NVQ or equivalent Diploma qualification accepted by the University are considered for exemptions.
2. Exemptions may be granted individually only after checking the performance of the Diploma qualification that has been acquired.
3. The academic transcript issued upon successful completion of the Degree will indicate exempted modules as "Exempted".
4. The modules that have been assessed by the University will be considered for calculating the Grade Point Average.
5. The Academic Council has the final authority of granting exemptions.
