

Title of the Abstract: First letter of each word of the title should be capitalized, instead of prepositions, be verbs etc. The title should be aligned center

<sup>1</sup>Corresponding author (surname, Initials)<sup>1/ 2</sup>Co-Author/s (surname, Initials)

<sup>1</sup>Department/<sup>2</sup>Department/University (If your supervisor is from a different institution)

We will be directly writing to the corresponding author of the abstract. Since you have conducted the study as an undergraduate under the guidance of an academic staff member, please get your supervisor's guidance in forwarding the abstract for SRS – 2024 and include the name of your supervisor as a co-author. If you have done a collaborative study with other researchers, other than your supervisor, please include their names as well. The abstract should consist of an introduction and background to your research, methodology, analysis and conclusion of your research. The abstract should be written in single paragraph in English. The abstract should be limited to 250-300 words. The font type is Times New Roman and the font size is 11. Line spacing should be 1.0. Plagiarism will not be allowed. There should be five key words at the end of the abstract. The keywords should be written according to the alphabetical order.

*Keywords:* content, font type, spacing, style, word limit.
