

Faculty of Engineering Technology

Examination Time Table

Bachelor of Technology in Building Services Technology, Manufacturing Technology & Mechatronics Technology

Year 2022/2023 (B2) - Semester 7 (S7) - Year 4 Semester 1

Date	Time	Degree	Module
2024.08.23	1.00 pm- 4.00 pm	Manufacturing Technology	Reverse Engineering MF702120
2024.08.24	1.00 pm- 4.00 pm	Mechatronics Technology	Linear Algebra and Advanced Calculus EE703050
		Manufacturing Technology	Renewable Energy Technology MF702130
2024.08.25	9.00 am- 12.00 am	Building Services Technology	BS706550- Procurement Tendering and Contract Administration
	1.00 pm- 4.00 pm	Manufacturing Technology	Manufacturing Technology III MF703010
2024.08.30	9.00 am- 12.00 am	Building Services Technology	BS703570- Renewable Energy Applications in Buildings
	1.00 pm- 4.00 pm	Manufacturing Technology	Entrepreneurship Development and Business Management Essentials MF703020
2024.08.31	1.00 pm- 4.00 pm	Mechatronics Technology	Renewable Energy EE703050
		Manufacturing Technology	Waste Management and Valorization Technologies MF703030
2024.09.01	9.00 am- 12.00 am	Building Services Technology	BS703480- Building Energy Efficiency and Carbon Emissions
	1.00 pm- 4.00 pm	Mechatronics Technology	Signal and Systems EE703040
		Manufacturing Technology	Advanced Materials and Composites MF703040

2024.09.06	1.00 pm- 4.00 pm	Manufacturing Technology	Supply chain and Logistics Management MF703050
2024.09.07	9.00 am- 12.00 am	Building Services Technology	BS703560- Professional Practice and Ethics
	1.00 pm- 4.00 pm	Mechatronics Technology	Artificial Intelligence and Machine Learning EE704020
		Manufacturing Technology	Food process machinery development technologies F702110
2024.09.08	9.00 am- 12.00 am	Mechatronics Technology	Advanced Engineering Mathematics EE703010
	1.00 pm- 4.00 pm	Manufacturing Technology	Modeling and Simulation of Industrial systems MF703060
		Mechatronics Technology	Industrial Automation EE706030

Venue :Exam Hall New Building
